

Orienteering Manitoba Club Statement

Orienteering Manitoba (Manitoba Orienteering Association/MOA) recognizes the three Manitoba orienteering clubs, namely, Coureurs de Bois Orienteering Club, Hartney Gougers Orienteering Club and Neepawa Orienteering Club.

The Hartney Gougers and Neepawa clubs served orienteers from the communities of Hartney and Neepawa. The Coureurs de Bois club served orienteers from elsewhere in Manitoba. They have an important history in developing our sport in the province and we are both grateful for and cognizant of their achievements.

The clubs ceased to operate during the period of 2014-2024, with Orienteering Manitoba assuming events roles previously done by the clubs in 2019.

Orienteering Manitoba encourages its membership to use Coureurs de Bois (CdB) as the official club of Orienteering Manitoba when registering for and competing at orienteering events.
